2

For Teachers

1. Click on the "**C2 Management Alert Function**" (accessed from the iNTUE system) to log in to the Learning Ineffectiveness Alert.

For Teachers

2. Go to the Underachievement Alerts section and the teacher's current semester course information will be displayed on the screen. Select the course you want to alert, and click Alert Login.

For Teachers

3. Select the students who want to register for the alert, check the box and fill in the relevant information, and when finished, click Save to complete the alert registration.

For Homeroom teachers

1. Click "**F07 Online Counseling Platform System**" (accessed from iNTUE system), and the tutor will counsel the assignments.

For Homeroom teachers

2. After clicking on Tutor Counseling, click on Semester Alerts to view the students who have been counseled and alerted.

For Homeroom teachers

3. Add Tutor Counseling Record, fill it out and save it.

Thanks
